

Dear Customer,

We have designed this Catalog for you, to have a short review about our manufacturing. We hope you enjoy the following pages. We're looking forward to work with you.

Important for your order!

With an order in devices or binders please send us a **sewing pattern or tape**. We cannot guarantee the function and quality of our devices or binders without a example. Also important is the sewing machine type.

If you order a binder please send use the number. You can see in the following example that the binder type is compound number.
